SPARKLING RECEPTION

President Shai Umrada CC is delighted to invite Members to join him for a spectacular evening pageant of music and military precision drill, performed on Horse Guards Parade by The Household Division, in front of the beautiful backdrop of St James's Park.

The event will start with a private reception of Prosecco and canapés on the beautiful Terrace, and in the Smoking Room, at the National Liberal Club, before moving, close-by, to be seated for the evening's entertainment, including fireworks, massed bands, and horses.

The reception will start around 6pm, with precise timing to be announced in due course.

City Livery Club has reserved a limited number of top-priced tickets for Members and their guests, so please book early to avoid disappointment.
